

SHORT SALES AND FORECLOSURE RESOURCE CERTIFICATION

Description: For many real estate professionals, short sales and foreclosures are the new "traditional" real estate transaction. Knowing how to help sellers maneuver the complexities of short sales as well as help buyers pursue short sale and foreclosure opportunities are not merely good skills to have in today's market—they are critical. And while short sales and foreclosures are not for the faint of heart, agents with the proper tools and training can use these specialty areas to build their business for the long term.

Plus, NAR has set up a Facebook page where REALTORS® can network, reach consumers, and stay up-to-date on the latest news and events related to short sales and foreclosure transactions. Check it out at www.Facebook.com/NARSRF today!
