March 14, 2012

Learn about the latest trends from industry experts in two different areas to help boost your business.

Real Estate Owned Properties

With the increase in foreclosures today, there is a large inventory of bank-owned properties flooding the market. More than ever before, real estate professionals need to understand short sale procedures, timelines, and tasks that banks expect. Learn both the buying and selling side of a foreclosure transaction in this course and get real tools to navigate the challenging real estate market of foreclosures and bank owned properties.
